

Make Your Own Face Mask

Materials

Fabric (15 x 14cm for each piece)
Main Fabric (640154 Dinosaurs
Lining fabric
Optional - wadding as a middle layer

Thread
004640 Premium
Quilting Thread
(or any cotton thread)

Elastic
Either hat elastic or
thin braided elastic (009711)

Scissors

Wonder Clips

Instructions

1. Cut 1 Pair x pattern in Main fabric
2. Cut 1 pair x pattern in Lining
3. Cut length of elastic based on individual (roughly 80cm for adult)
4. Stitch main and lining fabric on long curve (keep right sides together)
5. Lay main and lining with right sides together and stitch most of the way around
6. Bag out the mask through the opening and topstitch to secure and close
7. Fold over 1.5cm and stitch on each side to form casings, leaving gaps on the top and bottom
8. Feed through the elastic and tie or stitch closed to create the perfect fit
